

MIDWEST MOTION PRODUCTS, INC.

**Design, Manufacturing, and Distribution of Motion
Control Equipment for Robotics and Automation**

MMP

COMPANY BACKGROUND

- Founded in 2001
- Financially Healthy, Growing, and Profitable
- Over 100 years of combined experience in the Motion Control Industry
- ISO 9001:2015 Certified – January 2019

INDUSTRY LEADERS

FEATURED WORLDWIDE

MMP

THE MMP ADVANTAGE:

- Geared motor solutions built in the USA
- Widest variety and huge on-hand inventory
- 8,000+ released gearmotor designs
- 2,000,000+ individual part numbers
- Cost-effective solutions
- Time tested, proven reliability – all from one of the largest providers of motion control products in the world

LIGHTNING FAST

- FAST Prototyping
- Many ship SAME DAY from materials IN STOCK
- Wide variety of frame sizes in stock
- NEMA flanges available where applicable
- Complete your OEM design in record time

MMP

PRODUCT OFFERING:

- Brushed and brushless motors
- Planetary & right-angle gearing
- GPK/Delrin gearing available for near-silent operation

ADDITIONAL OPTIONS:

- Electro-magnetic brakes
- Optical encoder feedback
- Analog tachometers

ALSO AVAILABLE:

- DC Linear Actuators
- Motor Speed Controls, Drives, and Servo-Amplifiers
- AC→DC Power Supplies

PRODUCTS IN ACTION

MMP

MMP Gearmotors are
operational aboard
the [NAVY X-Craft](#) in a
strategically
significant application

MILITARY GRADE APPLICATIONS

MMP

OUR COMMITMENT TO YOU:

- Continued focus on YOUR needs
- Continued attention to YOUR bottom line
- Unparalleled technical support – & CAD
- Uninterrupted material flow
- Rapid prototype deliveries (often just days)
- On-time deliveries
- Incremental shipments available

SUSTAINING LONG-TERM RELATIONSHIPS THROUGH:

- Lower costs - Increase your market share
- Warranty coverage IAW established specs
- ISO 9001:2015 Certified - January 4th, 2019
- Extraordinary pre-and-post order support
- Second generation ownership in place

MIDWEST MOTION PRODUCTS, INC.

**Midwest Motion Products,
Inc. would like to THANK YOU
for continuing our highly
valued partnership!**
